About

Hi there, I'm Ahmed, a Cairo based ever curious computer science student & web developer pursuing a bachelor's degree in computer science at Ain Shams University.

Experience & Projects

Open Source Community FCIS – Web Development Team Member

Collaborated in a team environment with other developers from the team & different teams to complete some complex projects (Including the Community's web app built with react.js & express).

NAVERIS

A NASA Space Apps 2023 Artificial Intelligence project which uses NASA satellite data to accurately predict storm paths and other natural disasters and send out early warnings to affected areas, potentially saving lives and minimizing the damage done.

Education

Ain Shams University   **2022-2026**

Major: Computer Science   *GPA: 3.2*

A.H.L.S   **2019-2022**

General Secondary Education Certificate Studied Mathematics and Science.
